I am thankful that I have this
opportunity to reveal the truth
about the world that I have been
blessed with.

I was a hard nut to crack, pun
intended. I am zealous to
experience how my master,

2

Jesus Christ, is going to work through me to perfectly conquer Satan on the Mount of Olives for universal peace forevermore, which is the conclusion of the Father's plan from the beginning of creation, for peace in heaven and on the earth forevermore! I thought it good I declare to you the signs and wonders Jesus Christ has worked for me that the works of God, and that I do the work of God should be revealed through me. First and foremost,

3

let me reveal to you the greatest work God has done for all of humankind, which of course is for me then, as well as yourself, but will lead to the works Jesus has done for me personally.

Jesus Christ was sent to the earth to sacrifice himself dying on a cross to be raised three days later for the forgiveness of humankind's sins so that whosoever believeth in, Jesus Christ, should not perish but have everlasting life! I am Keith, the

content seventeen years old with forty-three years of experience half physically dead, fully spiritually alive, miracle man, living. To finally have this belief in my heart, soul, and mind, which is doing the work of God, is the absolute most positive in my life! John chapter 6 verse ²⁹ Jesus answered them, “This is the work of God, that you believe in him whom he has sent.” It took the magnitude of Jesus, saving my life the thirty- ninth out of forty-

three times in January of 2006, to make me finally stop taking life for granted and say from my heart. “Thank you, Jesus, for saving my life!” The thirty-fourth to thirty-seventh times were four bleeds in my brain due to burst aneurysms in December 2002, as my just true love chastening by my master, Jesus Christ, to open the eyes of my heart, soul, and mind to my sinful, rebellious, foolish, and downright stupid lifestyle and repent. Doctor Fewer

6

who had performed the first two emergency operations after the second and third bleeds told my parents as he left the hospital for a meeting outside of Winnipeg, Manitoba. That I would not survive another bleed, but I would survive another operation to repair the uncountable number of aneurysms, so that evening after the fourth bleed caused my entire physical brain to start swelling, not just in the areas of my brain where the bleeds had already

occurred. God used these bleeds to abase me, by making my entire physical brain, swell to equal the thoughts of myself, a swollen head that was too big for my skull. Upon arriving at the hospital. The called-in now-deceased neurosurgeon, Owen Williams, reviewed my charts and exclaimed to everyone present. "I have no idea what I could possibly do for him surgically, but if I do nothing, he is dead for sure." Doctor Williams left

everyone in a private room with the comment as he left the room to go to the operating room. “I am going in there on a wing and a prayer.” “My job is on the wing.” “Your job is the prayer.” At this point, mom phoned my younger sister, Deborah, who had driven from Wetaskiwin, Alberta. To Winnipeg, Manitoba. Staying at my place, to search the house for some olive oil and bring it to the hospital A S A P. Mom took the oil when Deborah arrived at the

hospital. Mom, dad, and Deborah went into the I CU to pray for me, as I was prepped for surgery.

Mom anointed me, with the oil and they prayed for me with the laying on of hands in Jesus's name. Let me share the following verses from the Jerusalem Bible. Mark chapter 16 verses 17A to 18c. Jesus is speaking. "These are the signs that will be associated with believers in my name. They will lay their hands on the sick and they will recover."

10

this resulted in Doctor Williams doing something he never imagined he would ever do, or that I would even survive him doing it, which was cutting off the top-right quarter of my skull, within a second or two he claimed of my brain collapsing onto the top of my spinal column that would have killed me instantly! 2nd Corinthians chapter 9 verse ¹⁵ Thanks be to God for his indescribable gift!

The amount of my skull that was removed in the third surgery on December 15/2002, to allow my brain to swell without increasing the pressure in my skull more than it already was.

Additionally, Doctor. Williams was astounded when I survived. I became sick to my stomach after the first emergency operation, as they started to stick a tube down my throat but already having two hemorrhagic strokes my mouth

did not open properly forcing the vomit into my left lung causing pneumonia to set in. I was also experiencing indications of some kind of infection that after many tests was finally diagnosed as an E-Coli infection. After the third emergency operation Doctor, Williams wanted to repair the uncountable number of aneurysms. However, he could not see a single aneurysm to repair after ordering multiple MRIs. He was still concerned with

my brain swelling, so ordered me to be induced into the deepest possible coma using all the latest technology of drugs to start the coma then my body was wrapped in a refrigerator blanket to put my body into hypothermia. to hopefully settle everything down. Deborah was standing beside my bed holding my hand, as they started the intravenous drugs to start the coma. She was watching the brain wave monitor behind my head. As the wave began to

flatten, she said. “Keith, you need to be strong now.” She said that my lips never moved but she heard me say. “No, Deborah, it is now that I need you to be strong for me.” The brain wave monitor spiked, and Deborah dropped my hand rushing out of the room hoping that nothing bad would happen to me going into the coma. When Deborah arrived home a couple of weeks later her best friend through church asked her what happened a couple of

16

weeks ago because she had the most intense feeling to pray for Deborah to be strong. We are so marvellously interconnected at the spirit level on this earth.

The dent in my skull that remained after the fourth surgery or the first reconstructive surgery on September 2/2003, to replace the three bones removed in the

17

third emergency surgery after the fourth bleed putting the bones in backwards because he could not get them to remain solid in the correct position!

unbearably frozen, regardless of the number of heated sheets they put over it. They ran out of heated sheets. I feel this unbearable frozenness on the left side of my body, even if there was the slightest of moving air, regardless of the temperature of the air, whether I am sitting or sleeping. The second clearest memory I have in the hospital was in the step-down unit after the third emergency operation. I looked at the wall, seeing a sign pinned

above my head that read: do not lie on right side. The nurse came in asking me if I would like to know and see what had been done to me for this sign to be hung above my head. I answered, "Yes, that would be great." She brought in a mirror, explaining the doctor had cut off the top-right quarter of my skull to allow my brain to swell without increasing the pressure in my skull more than it already was. I could see this large lump in the

dent of my skull in the mirror on the table over my bed. I decided it must be my brain swelling out of where the bone had been removed from my skull. I wondered if I would be able to feel my brain through my scalp. I gently rubbed my fingers over the lump in the dent of my skull, being surprised to feel tube-like bumps under my scalp. I stopped when I was shocked when something inside my scalp could feel my fingers rubbing on it. I

21

was upset and disappointed when I learned from my brother Mark

My brother Mark, who was the second most supportive person in the hospital with me for four and a half months had to take an eighteen-hour bus ride from Prince Albert, Saskatchewan. To Winnipeg, Manitoba.

after I was discharged from the hospital on April 7, 2003, they stopped him from taking a picture of my head with the lump visible in it. The now-deceased neurosurgeon, Owen Williams, walked into the room carrying the

23

images for an MRI review appointment in April of 2005, exclaiming. “I am astounded that you survived let alone recovered at all with the amount of brain damage you have.” He explained the colours in the images

"As you can see it is very obvious that the majority of the right side of your brain is damaged. I can only guess that you had too much brain, to begin with!" From this brain damage, I lost the sense of touch on the left side of my body, the left side of my field of vision. There is nothing wrong with either of my eyes but nothing

25

they see on the left side of my field of vision gets processed by my brain. I lost my sense of awareness or recognition, and my pituitary gland. I lost the area of my brain that automatically ignores background noise, which makes it possible for us to hear and understand the human voice. I can hear someone speaking to me but if there is the slightest background noise. I cannot understand a word that they are speaking. I lost my spatial

memory, so I get lost too easily now. I must ask how to exit a new building that I have gone into. I also lost my sense of smell, and I am extremely absentminded now. However, I turned the absentmindedness into the greatest positive change in my life by compensating for it by using alarms on my iPhone that have made me more punctual than ever before in my life! My common-law spouse, Teri, was the most supportive person with

me in the hospital,

my reflex reaction style of goaltending in hockey in my birth town of Spiritwood, Saskatchewan. on Sunday, November 13, 2005, which could only have been for my glory, not glory to God. Acts chapter 12 verse ²³ And immediately, because he had not given the glory to God, an angel of the Lord struck him down, and he was eaten by worms and died.

However, I perceive the truth that Jesus used the opportunity to

29

reveal his love, power, might and existence through me by making me play as well as I did. I posted a link to a video of me playing in the game here: key this URL from the .pdf document

However, Jesus saved my life again following this when I was a pedestrian struck by an S U V on December 10, 2005, dislocating and crushing my left shoulder

30

joint ball, so it's now an artificial shoulder joint, tearing the ligaments in my left knee and deflating my left lung, which was the thirty-eighth lifesaving. I almost accepted the painkiller medication after lying in bed for two days because my back pain was so great. However, I had a gut feeling to ask for a wheelchair to get out of bed and the backpain disappeared. I was released from the hospital on December 22/2005 wearing a G2

brace on my left knee fully mobile and relatively pain free. In January of 2006, I was walking home from the Safeway on the south side of Kirkbridge Drive, Winnipeg, Manitoba. and I had to cross over to the north side. I lifted my left foot over the slightly plowed-up ice and snow and started to push forward with my back-right foot. I felt the wind from a half-ton truck's side rear-view mirror on my left cheek. My left cheek only feels pain or super

hyper sensations. I was standing there, trembling, thinking, I would have been decapitated if I had completed stepping onto Kirkbridge drive!

My heart melted the moment I said from my heart. "Thank you, Jesus, for saving my life!" I immediately felt the most intense, overwhelming feelings of puppy love for Jesus Christ, which I discern now was when I was made fully spiritually alive or the start of my second life! I could not

stand feeling such intense, overwhelming feelings of puppy love constantly anymore, in April of 2006, and decided I want it to mature into being in a giving from my heart true love, faith relationship with Jesus Christ from the example of my common-law spouse, Teri's, joy and happiness from her giving from her heart true love for me, by which she forsook her parents, siblings, friends, and two adult children from her previous marriage to be by my side until

she was confident I could manage on my own. I immediately remembered the only day, Monday, December 11, 1978, I participated in my parent's daily devotional readings with the reading from Luke chapter 4. Luke chapter 4 verse 17 And there was delivered unto him the book of the prophet Esaias, and when he had opened the book, he found the place where it was written. This caught my attention, making methinks, if I ever have daily devotional readings. I will

pray that Jesus guides my fingers to open the Bible, your word, to the scripture passage you want me to read as your message to me today and provide me with a clear open understanding heart, soul, and mind of all I read, so I may understand to know the meaning and/or relevance to my life. In Jesus's name, I ask and pray Amen.

I received an audio version of the NKJV, New Testament from CNIB, (Canadian National Institute for the Blind) about

two weeks after this, which was perfect for my visual impairment now of losing the left side of my field of vision which makes me rarely see the first letter of a word making reading most challenging! I searched found and copied the entire NKJV Bible in text format into a Word document and the .mp3 audio files for the Old Testament of the NKJV Bible, so I could use it for my daily devotional readings from, Jesus Christ. I read the Bible

numerous times over the years using the WebApp that I developed here: key this URL from the .pdf document www.ondemandwisdom.com/in_a_year.html into your browser's command line to view the WebApp online after I taught myself in 2004 how to develop a web page that made me have thoughts of scripture passages that suited what was happening in my life, so I hired a programmer to develop the WebApp:

38

key this URL from the .pdf document

www.ondemandwisdom.com/Daily_Devotional_Readings.php into your browser's command line to view the WebApp online to avoid having any possibility of my thoughts influencing where I opened the Bible daily for my daily devotional readings! I made a mistake understanding three days of readings on September 6, Luke chapter 14 verses 12 to 14. ¹² He said also to the one who had invited him, "When you give a luncheon or a dinner, do not

invite your friends or your brothers or your relatives or rich neighbors, in case they may invite you in return, and you would be repaid. ¹³ But when you give a banquet, invite the poor, the crippled, the lame, and the blind. ¹⁴ And you will be blessed, because they cannot repay you, for you will be repaid at the resurrection of the righteous.”

This was the day after I only invited my three children over for my son, Tyler's, birthday feast, so I immediately decided to hold a

Thanksgiving Dinner for five homeless people here in Winnipeg, Manitoba. 7, Matthew chapter 7 verse ¹ “Do not judge, so that you may not be judged. and 8, Matthew chapter 19 verse ²¹ Jesus said to him, “If you wish to be perfect, go, sell your possessions, and give the money to the poor, and you will have treasure in heaven; then come, follow me.” I did not feel right to only give five homeless people a meal if I could convince them to come into my apartment for the

meal. I had in room laundry in the first apartment that I was able to rent for October 1/2006, so I decided that if I could sell all my luxury household possessions that I did not require to cook and serve the Thanksgiving Dinner. I would have enough open floor space to buy five air mattresses to have them sleep over, so I could do their laundry for them and buy them a toothbrush to brush their teeth in the morning and take them to church with me on the bus by buying them a

42

month's bus pass. I could not even list to price my luxury household possessions to even try selling them before Thanksgiving, so I changed it to a Christmas Dinner. 2007 that resulted in me trying to save my life of love for mammon, by donating 169 of my household luxury possessions that I did not require to cook and serve a Christmas Dinner feast to five homeless people to the Salvation Army because they would pick them up if I had it all packaged

like I was moving and I lost my life of love for mammon, becoming content with only what I require to survive. I did not realize that the list of questions I wrote to hand out to people at the LUM, (Lutheran Urban Ministry), was being judgmental. I had to be thankful that I did because only one invited person came over for my Christmas Dinner with my three children. I did not cook a big enough turkey for me to have more than one bite of turkey for my Christmas Dinner, but I was

okay, as I did not need more than one bite of turkey to survive. I'm thankful for this as it made me aware without my sense of awareness that the more, I want or have above what I require to survive only increases my worry, anxiety, stress, and fear, but the more I give from my heart, to those in need what they require to survive now and forevermore, through perfect love; (complete love, faith, and trust in, Jesus Christ), not the money for which they might incorrectly beg,

increases my joy and happiness! I had the idea to determine the reason the church leaders of the ELCIC church, Epiphany Lutheran Church I've attended since moving to Winnipeg, Manitoba. in 1991, used the laws of the land more than the laws of God, by, passing the motion for the church to bless same-sex marriages. I learned that there are only hymns relevant to about 67% of the 1189 chapters of the Bible, and the church uses a church calendar that is against

the writings of the Apostle Paul in Galatians chapter 4 verses 10+11. ¹⁰ You are observing special days, and months, and seasons, and years. ¹¹ I am afraid that my work for you may have been wasted. I also learned that the Christian denomination churches use one lectionary to predetermine the Bible readings for every Sunday years in advance, which made me conclude is the reason the church leaders misunderstand the Bible, because the word of God, Bible

has been put to death for leading the church! Using the lectionary also puts extreme pressure on the Pastors to try to write a meaningful message to their congregation. In essence, the Christian denomination churches don't promote being disciples of Jesus Christ, and Jesus told us clearly in Matthew chapter 23 verse ¹⁰ **And do not be called teachers; for One is your Teacher, the Christ.** I learned through my daily devotional readings to write

48

and self-publish on July 25/2014,
the book I titled:

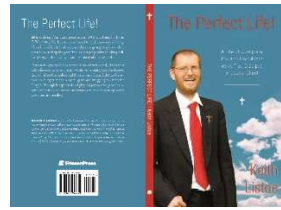

“The Perfect Life

A Life of Complete Joy and
Happiness as A True Disciple of
Jesus Christ!”

However, I learned through my
daily devotional readings in 2016
that I miss wrote too much of

WebApp online, which is what enabled me to write the book. I also learned that the true meaning of this life is much too concise to write, as a book, for it is. Have mercy and compassion on the poor and needy by giving them what they require to survive now and forevermore through perfect love; (complete love, faith, and trust in, Jesus Christ), not the money for which they might

incorrectly beg! Humankind has been deceived into thinking that marriage is the “I do” in front of a human Pastor or judge. The true “I do” of marriage in the sight of God the judge is the “I do” of performing sexual intercourse, which if a couple remain virgins until after the man has proposed marriage or they refrain from any sexual activity until after the man has proposed. The woman will initiate their true marriage on the first ovulation post the proposal of

marriage. The man will receive the gift from, Jesus Christ of touching his to-be wife's "G-spot" at the start of sexual foreplay that will result in perfect sexual intercourse that climaxes with the simultaneous whole being mutual ecstasy generating ejaculation orgasms that make the couple mutually sexually addicted to each other, which is a guaranteed marriage until death we will not part, as no one will do anything to jeopardize that to which they are

addicted! The female ejaculate combines with the male ejaculate to ensure the sperm reach the just ovulated egg for conception to make the two one flesh! The couple starts their relationship with open, honest, and considerate communication to get to know each other well enough to satisfy their mutual emotional, intellectual, and spiritual needs in their relationship!

I could not feel more privileged and honoured by having such a divine purpose! I was blessed with a vision in February 2006, so realistic I felt present in the past when Satan deceived Eve into eating the fruit from the forbidden tree of the knowledge of good and evil, so she and Adam would die from their angel-like beings with equal power and might, as Satan to how humankind is to this day under Satan's control. The vision included two revelations.

1- Satan rebelled against God when God refused his request for a physical human-like body seeing that Adam and Eve were created in God's image. Jesus Christ selected my reading the next morning to start at Matthew chapter 22. ¹⁶ So they sent their disciples to him, along with the Herodians, saying, "Teacher, we know that you are sincere, and teach the way of God in accordance with truth, and show

deference to no one; for you do not regard people with partiality Matthew chapter 22 verse 16. Show deference to no one caught my attention, making methinks, I must show no deference to Satan when Satan is cast to the earth in the visible physical form of a great red fiery dragon in front of me on the Mount of Olives to start the end of this his day and age, and the start of the restoration of the earth to its created beauty and

splendour, as the new kingdom of God, by following the example of my master, Jesus Christ, on the Mount of Olives perfectly of having no fear of death or Satan, by offering Satan a prayer with the laying on of my hands in Jesus's name for universal peace forevermore!

2-Satan made a vow that he would make humankind make the earth non-life-sustaining. I set my health as my number

one priority in May 2015. I watched or listened to fifteen free naturopathic health documentaries or summits since March 2015. I unknowingly started to consume the recommended two scoops, 5 to 10g of organic Medi-C Plus vitamin C & L-Lysine formula with magnesium Ascorbate supplement drink. I learned in mid-2020 that having a high

level of vitamin C in our body makes us naturally immune to virus infections. I also learned that osteoporosis is vitamin C deficiency in the bones, scurvy of the bones, not calcium deficiency. I had a gut feeling in early 2020 to research if inhaling saltwater vapour might increase the resistance to COVID-19 infections on hearing that a Canadian doctor had invented

a salt covered mask to prevent COVID-19 infection. I was thankful to learn that it increases antiviral mucins in the nasal mucus, so I immediately started to inhale saltwater vapour daily. Microscopic salt crystals with razor sharp edges form that kill the viruses naturally. The next day the information I had found about inhaling saltwater vapour was gone from the

internet, which convinced me that it must work too well to prevent the spread of the bioweapon coronavirus. I did further research on nasal mucus to be thankful to learn that a hormone imbalance, which I have without my pituitary gland functioning causes an increase in nasal mucus flow. Additionally, eating refined sugars increases nasal mucus flow,

which provided me with the perfect discernment of why my nose started running excessively after the bleeds in my brain, and significantly reduced running in 2018, when I stopped eating sweets or refined sugars to balance my gut microbiome. I was in awe astounded, and questioned by my discernment from these naturopathic health

documentaries or summits of how Satan has stolen the perfect joy and happiness from us that we are born with and how he has accomplished his vow through the USA, by their god, money and making humankind sick worldwide. I learned that the USA started using the weather, as a form of warfare immediately after the second world war by emitting nanoparticles from

airplanes seen as chemtrails flying overhead, which are toxic chemicals in the environment worldwide that is combined with eating nutrient deficient manufactured foods causes disease, which was exacerbated by Roundup compromising everyone's primary immune system worldwide, and the fraudulent scientific study by the refined sugar industry in the 1960s

that fat is responsible for obesity , not sugar. Refined sugar is more addictive than cocaine, so food manufacturers add it to everything to make people eat more than they should, which causes obesity, and it causes candida yeast to overgrow in the gut microbiome that compromises the primary immune system. Worst of all refined sugar was proven by

Otto Warburg in 1931, as the root cause of cells becoming cancerous! I randomly watched a video in the summer of 2021, about research into how forests developed on earth to know how to initiate forests to develop on mars to naturally transform mars into a habitable planet produced by NASA, which made me think that global warmings root

cause was the agricultural revolution at the end of the eighteenth century. Jesus Christ selected my reading this morning Tuesday, August 31, 2021, to start at, Joshua chapter 17. ¹⁸ but the hill country shall be yours, for though it is a forest, you shall clear it and possess it to its farthest borders; for you shall drive out the Canaanites, though they have chariots of

iron, and though they are strong Joshua chapter 17 verse 18. For though it is a forest, you shall clear it and possess it to its farthest borders caught my attention, making me thankful, for this being revealed to me, as the start of global warming and the desertification of the earth and the agricultural revolution at the end of the eighteenth century exacerbated global

warming! John chapter 14
verse ²⁶ But the Advocate, the
Holy Spirit, whom the Father
will send in my name, will
teach you everything, and
remind you of all that I have
said to you. I am in awe how
the Holy Spirit has revealed
the truth to me about what
Satan has done to enslave
humankind through the
Illuminati that started on May
1/1776, and includes the truth

about the USA, which is the prophesied about beast in the Bible, which is using bioweapons now to mark every human being through their bioweapon coronavirus pandemic and bioweapon COVID-19 vaccine. Their greatest tool is misinformation through the mainstream media and social networks censorship to control humankind based on health

and global warming. I was blessed to learn that Nikola Tesla invented a replica of the ancient Egyptians small in vehicle electric generator that enabled the ancient Egyptians to use levitation vehicles to transport the millions of stones to construct the pyramids and the Illuminati burned his lab in 1895 in New York City to eliminate his invention, so nothing would

jeopardize their plan to enslave humankind based on money combined with electric generation worldwide! The Illuminati have since oppressed the development and manufacture of the SEG, (Searl Effect Generator), since 1946, as it would free humankind from the Illuminati's control of humankind via money based on energy. With the recent

improvements in shale gas fracking techniques. The Marcellus natural gas reservoir in New York state is the largest reservoir of natural gas in the world, which is why the USA blew up the Nord Stream pipeline, so the USA could become the sole supplier of natural gas to Europe. The Illuminati are using global warming to push their ESG, (Environmental

Socialist Governance), system based on the Chinese ESG system onto the world population through the bioweapons coronavirus plandemic and COVID-19 vaccine, which makes every vaccinated person emit an IP address, which is Bill Gates's invention of his patented through Microsoft digital ID2020 that the patent number contains the digits

060606. To link everyone to their planned new digital cryptocurrency to provide everyone a guaranteed income with absolute control over what every person can buy or sell or the enslavement of humankind through money! The rushed into service worldwide 5G cell phone network is the control device for the bioweapon COVID-19 vaccine to activate the deadly

part of it to kill every vaccinated person living outside of the USA, which is why it is the third world war against every living person worldwide unknowingly! The cell phone is Satan's way to annihilate humankind and every living creature from the earth because cell phone EMFs are more deadly than nuclear bomb radiation, as they killed cockroaches that

can survive nuclear bomb radiation! They are so deadly because they are polarized frequencies, which the sun's much higher frequencies are not polarized. Thus, the sun is the most basic requirement for life on earth! NKJV, Hosea 9: ⁷ The days of punishment have come; The days of recompense have come. Israel knows!

The prophet is a fool,
The spiritual man is insane,
Because of the greatness of
your iniquity and great enmity.
I was in awe and questioned
how I could discern from the
fifteen free naturopathic
health documentaries or
summits that I listened to
since March 2015, and I set
my health, as my number one
priority in May 2015, of what
Satan has done to steal the

perfect joy and happiness from us that I now recognize in my three grandchildren that we are born with until Jesus Christ selected my reading this morning Saturday, January 26, 2019, starting at NRSV, (New Revised Standard Version), 1st Corinthians chapter 2.
¹⁴ Those who are unspiritual do not receive the gifts of God's Spirit, for they are

foolishness to them, and they are unable to understand them because they are spiritually discerned. ¹⁵ Those who are spiritual discern all things, and they are themselves subject to no one else's scrutiny ^{1st} Corinthians chapter 2 verses 14 and 15. Those who are spiritual discern all things caught my attention; making me thankful, for the spiritual discernment I

have received of what Satan has done to steal the perfect joy and happiness from us that we are born with and to make us ill and make the earth non-life sustaining and how it could all be resolved into the perfect world! I was explaining to my son, Tyler how it has been revealed to me how Satan has stolen the perfect joy and happiness from us through money,

making us sick and how it could all be resolved by using computer technology to eliminate money. Tyler, called me insane, which confirmed I am the spiritual man is insane written about in Hosea 9:7. Satan knew that money, energy and health would be his greatest weapons against humankind, so he used Mayer Amschel Rothschild to start the satanic cult Illuminati

under the Freemasons on May 1/1776, with the sole goal of enslaving humankind through money, his banking empire in 1776, the USA in 1776 and the fraudster Louis Pasteur in the 1860s to hide the truth about the true cause of disease, so the USA's big pharmaceutical industry could become the leader of misinformation about how to live a healthy lifestyle and to

accomplish his vow through the USA. if the US can pull off electrification of its greatest contributor to climate change, it bodes well for decarbonizing the rest of the economy. I, however, perceive that if Nikola Tesla's small in-vehicle generator is developed it will enable the conversion of EV, to levitation EV, which will eliminate vehicle maintenance further than just converting

from gas to electric. The conversion to driverless technology will also be more critical. This technology is in its infancy and without the money barrier to oppress genius minds, it will mature into much greater functionality than currently imagined! The fourth thing was The USA's big pharmaceutical companies started their tactic of hiding the truth about every

natural cure discovered in 1897, by hiding the greatest natural cancer cure named CT62, supposedly hidden in a building at the Whitehouse, which links the US government with The USA's big pharmaceutical companies! The next thing that the USA's big pharmaceutical companies hid was the Nobel prize awarded to the Jewish doctor,

Otto Warburg, protected by Adolf Hitler to continue his cancer research for his discovery in 1931 that cells become cancerous by converting from using oxygen to produce energy to using refined sugars to produce energy, for if the root cause is known, the cure is known. As such the USA's big pharmaceutical companies are responsible for every

illness-related death since 1897, which makes them the vilest human force in human history, and their bioweapons coronavirus pandemic and COVID-19 vaccines is the tip of the iceberg of what they have already done as crimes against humanity. I am thankful that my controlling son, Tyler told me that Spartan apples are GMO, so I researched apples to confirm

that they are RNA modified, which is a worse health hazard than DNA modified, which made me refuse to get the publicly announced mRNA COVID-19 vaccine, as I will not do anything to jeopardize my health now! I personally think that wearing a mask to prevent virus infection is ludicrous if the virus can pass through the blood brain barrier. The fifth thing was

that the human health and global warming problems were exacerbated, with the agriculture revolution at the end of the eighteenth century, as it started the stripping off too much of the high CO₂ consuming forest trees to grow grains. Growing grains led to the crosspollination of the healthy ancient wheat to increase its yield and to make it somewhat resistant to pests

or modern wheat that was never tested for safety, and it is a poison to humans by causing holes in our digestive tract within five minutes of being eaten, and if overeaten, three meals per day, a leaky gut syndrome. It also gets through the blood brain barrier to cause brain problems, which initiated me to have a gut feeling that modern wheat is the root cause of autism in

ever increasing abundance worldwide! This is overlooked by Md. By only prescribing poison drugs to manage symptoms as opposed to searching for the root cause to know how to cure their patients! Modern wheat led to Monsanto invented Roundup, with the active ingredient glyphosate, which the minuscule amount that remains in the foods that we

eat of produce sprayed with Roundup kills the good bacteria in our gut microbiome. Thus, compromising our primary immune system, so all diseases, especially cancer thrive in our body. and how Satan is working through the USA as the prophesied beast in the Bible. Daniel chapter 7 verse ⁷ After this I saw in the visions by night a fourth

beast, terrifying and dreadful and exceedingly strong. It had great iron teeth and was devouring, breaking in pieces, and stamping what was left with its feet. It was different from all the beasts that preceded it, and it had ten horns. The sixth thing was The USA's big pharmaceutical companies have evolved into the greatest or perfect scam of all time by not only taking

our money but our health, well-being, and lives also. The USA's big pharmaceutical companies control medical education universities to educate Md. only prescribe their poison drugs to manage symptoms, instead of searching for the root cause of a patient's illness to be able to remove the root cause for a cure, as ND. are educated, which is why our current

healthcare is so expensive and there are so many illnesses in our modern world. Medical doctors are educated near-perfect for emergency lifesaving medical procedures and acute life-threatening illnesses but fail for long-term health and well-being. I had a gut feeling about researching how much Roundup has been sprayed worldwide since it started in 1976 on learning

from the How to Heal and recover from GMOs and Roundup documentary that the minuscule amount of the active ingredient glyphosate that remains in the foods that we eat from produce sprayed with Roundup kills the good bacteria in our gut microbiome. Thus, compromising our primary immune system. I conservatively calculated that

about .06 pounds of Roundup has been sprayed on every surface acre of the earth, not just cultivated acres, which is significantly more than a minuscule amount. Therefore, I conclude that the earth's biodiversity or the earth itself has been killed making the earth non-life-sustaining, which is why the predicted sixth mass extinction event is already well underway

worldwide and accelerating, which makes global warming irrelevant. The USA has now bankrupted the world monetary system, so in their arrogance, they devised a plan to force every human being worldwide to accept their nano-chip bioweapon COVID-19 vaccine to implement Microsoft's patented ID2020 system that the patent number contains

the digits 060606

mark, that is, the name of the
beast or the number of its
name. 18 These calls for

wisdom: let anyone with understanding calculate the number of the beast, for it is the number of a person. Its number is six hundred sixtysix. Their plan involves convincing every country worldwide to stop using their fiat currency for health reasons and convert to Bitcoin, which will provide the USA to basically steal every bit of money worldwide for the

greatest financial change in human history. However, money is the least of their crime against humanity in their plan, as they believe that the earth can only sustain five hundred million humans, so once they have implemented their digital ID2020 system they can instruct seven billion three hundred million humans to die, which is playing God, so it will not be long before

God obliterates the USA with his weapon of indignation for destroying the entire earth. God's weapon of indignation is a solar flare similar to the solar flare that obliterated ancient Egypt because their technology far surpassed our current technology, which was the unknown cataclysmic event that so abruptly ended the Bronze age. Jesus Christ selected my readings this

morning Sunday, January 26, 2020, starting at Jeremiah chapter 49. ¹² For thus says the LORD: “Behold, those whose judgment was not to drink of the cup have assuredly drunk. And Revelation chapter 17 verse ¹⁸ The woman you saw is the great city that rules over the kings of the earth. "To not let any person, buy or sell unless marked with the number of

the beast. I have been blessed with the discernment of how the USA has used the money to control the world by its SWIFT system and the politically correct verbiage of economic sanctions to not let any country buy or sell unless they met their demands, which is why Russia was the first country to convert to cryptocurrency to avoid the USA controlled world

monetary system. Tests must be performed on the health hazards of cell phone EMF. I read a naturopathic doctor's newsletter that he conducted a test on cockroaches that can survive nuclear bomb radiation, but they died from cell phone EMFs. The reason cell phone EMFs are so hazardous is they are polarized frequencies, which the sun's much higher

frequencies are not polarized. Thus, the sun promotes life, health, and well-being! The USA's plan to decarbonize their economy is futile to stop global warming because like any problem if the root cause is not first resolved, nothing else matters. The Illuminati burned Nikola Tesla's lab in New York City in 1895 to obliterate his replica invention of the ancient Egyptians in

vehicle electric generator, which the ancient Egyptian's used for levitation vehicles that enabled them to transport the millions of stones to construct the pyramids worldwide aligned by the Ley lines to be their levitation space launch system using the entire earth's magnetic field. The pyramids no longer have sufficient water encircling them for them to

produce electricity, as they were constructed to. I had a gut feeling in 2006 about how to use computer technology to eliminate money. However, after I learned the truth about the Illuminati and their third world war against every living person worldwide unknowingly, and their IOIA, (International Organizations Immunity Act) that they passed on December 29/1945

to operate outside of human laws justice systems. I had another gut feeling about how to use a new iPhone App based on lie detector technology to be used at every point of sale to more rapidly eliminate money and implement a new worldwide justice system that no one can be immune from to receive everything for no money if employed by a health and

well-being promoting business, a widow, orphan, too disabled to work, retired or a mother with an under age child, which is the greatest overlooked workforce in human history or attending a post-secondary education facility. And combined with plastic ID cards printing technology to improve the speed and efficiency of eliminating money, which the

Illuminati, started to misuse to enslave humankind, so money is the root cause of every problem since it was invented about 700 BC, which I named the charity survival card system. God knew that money was required for his salvation of humankind through his son Jesus Christ, because it would only be for the money that Judas Iscariot would betray Jesus Christ to

the Jewish leaders to put him to death on a cross to be raised three days later for the forgiveness of humankind's sins and resurrection unto everlasting life to all who believe in Jesus Christ, as their risen Lord and Saviour. This would enable humankind to win this third world war peacefully and overcome the imposed hyperinflation worldwide to collapse the

current fiat currencies to implement their new single digital cryptocurrency worldwide.

I was blessed with a gut feeling in August 2017 while I was walking the marathon sock-footed inside of my apartment using my Fitbit HR to count my steps about a new concept house design based on the Manitoba Hydro geothermal heating and

cooling system combined with the near perfect human made whole house SolaceAir RS4 air purification system, which I learned about from the Toxic Home Reformation summit.

This was critical to live in perfect health and well-being after I also learned from Dr. Richard Gerhauser that omega-3 fatty acid from fish is the perfect natural cancer cure, as it activates the endocannabinoid

system. I was thankful to learn about an aquaponics system to grow perfect organic pescatarian produce inside of a house, which inspired me to evolve my new concept house design into the perfect survival new concept house design by including a floor aquaponics system and I included a new greenhouse room to isolate honeybees in to perfectly purify the air going into the house continuously from above the roofline to reduce

radon gas as much as possible in the house. I am convinced that this style of aquaponics system could be perfectly organic naturally constructed to provide natural organic food for the fish. I had a gut feeling after my reading from Nahum chapter 1 verse ⁴ about the upcoming mega global drought for a new concept from the air water extraction system per building worldwide to overcome this drought for survival. The water would be

perfectly purified by a whole house structured water purifier invented by Canadian Clayton Nolte'. I randomly read an article about the acidification of the oceans worldwide from acidic human biowaste, which motivated me to search for information about composting toilets. I read one article about using multiple five gallon pails that provided me with the perfect solution to my current dilemma of living in a basement suite without

140

a washroom in the basement. I had bought a bedroom commode but the catch basin in it was too shallow to be of any use. I had numerous five gallon pails, so I removed the shallow catch basin and placed a five gallon pail under the seat, which works perfectly. I changed my perfect survival new concept house design to include a composting toilet to resolve the problem of acidification of the oceans worldwide, which is a greater

problem than global warming. I had a gut feeling after reading. Daniel 4:¹⁷ The sentence is rendered by decree of the watchers,

the decision is given by order of the holy ones, in order that all who live may know

that the Most High is sovereign over the kingdom of mortals; he gives it to whom he will and sets over it the lowliest of human beings.' To search if

142

Donald Trump is a Christian. I found a video

<https://ca.video.search.yahoo.com/search/video?fr=yfp-t-s&ei=UTF-8&p=video+of+Donald+Trump+about+the+popo+saying+he+is+not+Christian+in+2016#id=1&vid=5c86dad933454a8e4573ff168bb17c91&action=click>

of him proclaiming his faith in Jesus Christ in defiance against the Pope saying that he might not be a Christian, during the 2016 election campaign, which convinced me was the reason that he won the election over Hillary Clinton who is a high priestess of the Illuminati, which convinces me that she uses the Clinton Foundation with IOIA status to gather babies worldwide

143

to be used in the Illuminati baby sacrifice rituals to Satan. I had a gut feeling about how to use an organic natural as possible fishpond inside of a greenhouse to revolutionize agriculture worldwide to stop global warming at the root cause by replanting the land surrounding the greenhouse with high CO2 consuming forest trees and to resolve human health and well-being by providing humankind worldwide with perfect organic

pescatarian produce with fully active biodiversity to restore everyone's primary immune system and an organic diet of whole produce fruits and vegetables with the greatest variety of fibers for the greatest diversity of microorganisms in the gut microbiome for the strongest possible primary immune system! The diet of the NORFORCE soldiers of the Australian Aborigines could be researched to know what to grow in the

aquaponics systems worldwide to improve vision worldwide. The most astounding thing I have learned is how microwave technology can be used to cause earthquakes, by the point where multiple high frequency bursts of microwaves intersect. The testing of this started in the 1940s according to a MI6 whistleblower. Humankind only has this opportunity to win this third world war against the secretive Illuminati operating the USA, by

146

someone coding a new iPhone App based on lie detector functionality to eliminate money worldwide, which will fulfill the prophecy of Isaiah chapter 55 verse ¹ Ho, everyone who thirsts, come to the waters; and you that have no money, come, buy and eat! Come, buy wine and milk without money and without price. and to be used as a new true just justice system that the Illuminati cannot be Immune from

to receive everything they require to survive along with every other living person for no money by working for a health and well-being promoting business, a widow, an orphan, too disabled to work, retired, a mother with an under aged child or attending a post secondary education facility. I am thankful that Justin Trudeau used fascist techniques to stop Canadian truckers from protesting against his bioweapon COVID-19 vaccine mandates for

me to include the logic in this new iPhone App that all human governments worldwide must transform to be infrastructure maintenance facilities with no control over how people live their lives, and every military would be required to transform into the first responders to natural disasters. This would provide perfect equalization, freedom and peace worldwide to every person working for a health and well-being promoting business!

The elimination of money will enable humankind to let the truth be told worldwide for how to live in perfect health and well-being to our created to live to one hundred and twenty years old, per Genesis chapter 6 verse ³ Then the LORD said, “My spirit shall not abide in mortals forever, for they are flesh; their days shall be one hundred twenty years.” However, with how the USA has already destroyed the entire earth making it non-life-sustaining.

Humankind can only live on the earth now in perfect health and well-being, by having my perfect survival new concept house design built for each household to live in to eat a perfect organic pescatarian diet with fully active biodiversity. The house would be constructed using the newly discovered materials used in ancient Roman concrete to make it stronger as it ages instead of weaker, and it is environmentally friendly, which would eliminate

the use of lumber for construction to avoid contributing to global warming. The SEG would need to be manufactured for every building and vehicle's electric requirements worldwide. All Md. Would be required to return to educate themselves as Nd. For the perfect doctor that knows which poison drugs to use in emergency lifesaving medical procedures and acute life-threatening diseases and the natural way to cure their patients

for long term health and well-being.

God's zero-cost healthcare plan must also be used, which is to fast intermittent sixteen hours daily, to activate our dormant second immune system named autophagy, and increase to a three days per month water only fast to initiate stem cells to regrow any damaged or non-functioning organs starting in the digestive tract, but includes growth hormone for muscle

development, BDNF for neurogenesis and macula for recovery of vision from AMD, (Aged Macular Degeneration). The non-functioning Beta cells in the pancreas will be regrown to naturally cure people with diabetes.

Modern wheat must be eliminated from the human diet along with margarine and high temperature processed vegetable oils, which are oxidized

cholesterol the true known root cause of coronary disease.

Refined white sugar and refined white table salt must be eliminated from the human diet along with the refining of any food.

The logic can be coded into the new iPhone App to question each person if they are a member of any secret society and if they are they must agree to stop being a member of the secret society and

be working for a health and well-being promoting business to receive what they have for no money. Thus, the Illuminati baby sacrifices to Satan and their pedophile networks can be stopped, by them having to openly repent of their evil deeds and ask Jesus Christ to forgive them. This is to put the fear of the Lord into humankind's consciousness, not the fear of human unjust penal systems that the Illuminati passed their IOIA

(International Organizations Immunity Act), on December 29/1945, to enable them to operate outside of the human unjust penal justice systems. No one can bribe a lie detector.

The greatest source of misinformation was just invented which is AI, (Artificial Intelligence), which can produce video recordings of whoever you want a video of that are seemingly impossible to tell the difference from the real person in

157

the video. I discern that the secret Illuminati controlling Joe Biden have produced these videos of Donald Trump to smear his reputation in the eyes of the general public before the 2024 election campaign, as their misuse of the US justice system for political benefits is taking too long or will actually be beneficial to Donald Trump politically. Humankind must not rely on Donald Trump to expose and take down the secret Illuminati

158

controlling the USA, as he just wants the power of being the President of the USA. I had a gut feeling after my new concept house design evolved into the perfect survival new concept house design about how changes could be made to the Manitoba Hydro Place new concept high rise building design to make it the perfect survival new concept apartment building design.

I am in awe astounded that I have unthinkingly become my

own doctor, the earth's doctor, and thereby every living person's doctor for perfect health and well-being worldwide, which in my most unique medical, disabled and weakened condition, of only having half of my brain functioning now. I accept the truth that it could only be my master, Jesus Christ dwelling in me or with me now to do this! I learned that our digestive tract is the first organ in our body to start to malfunction about the age of

twenty-five, so regardless of how healthy a person eats after age twenty-five insufficient nutrients get to our brain, the highest energy using organ in our body, to keep it from starting to atrophy. I was blessed to learn the natural solution for this general health problem, which is to consume three tablespoons of organic cold-pressed virgin coconut oil daily, of one tablespoon after every meal to be on a full stomach. Coconut oil is the only

nutrient in the world that gets absorbed directly into the bloodstream without being digested, so it gets to our brain to provide the preferred energy source, fat, as our brain is the majority constructed of fat! I was thankful to learn that coconut oil is the only substance to relieve the extreme itchiness I felt on my head from five successive surgeries on it over the years, it is the perfect natural low SPF sunscreen, and it healed a burn

on my left thumb with barely a visible scar. I lost the majority of the right side of my brain, so I have focussed on how to recover my brain health, but I used common sense that our body is a whole, so no one part is of more importance for overall health than any other. However, I did have my Md. Tell me to immediately stop taking an organic natural kelp iodine supplement for the most critical nutrient iodine for overall health and well-being,

which is why it was added to refined white table salt to ensure everyone gets their required iodine nutrient. I was not consuming any unhealthy refined iodized white table salt, so I logically and reasonably searched found and bought an organic natural kelp iodine supplement for my iodine nutrient. I immediately decided that if that was my Md.s approach to my perfect health and well-being, as my doctor. The only

thing I would do immediately was to stop her being my doctor. I searched, found and got a new Nd. in May 2015. I was thankful yet puzzled to learn from the first test results ordered by my new Naturopathic doctor Respectfully. I had a higher glutathione level than Doctor Mark Stengler thought was possible in his free book.

How to Reclaim Seventeen Years of Your Life Back that I took to my first appointment to ask my Nd. If

she could tell me what my biological age was, I had a candida yeast overgrowth in my gut microbiome, and I was sensitive to eight different foods the majority of which were included in the first detox program, Danette Maye's, Three Days Bikini Detox, that I did in May 2015. I had my questions answered about how I became sensitive to these eight different foods from the how to heal and Recover from GMOs and

Roundup free documentary and the Autoimmune free documentary, which was modern wheat is a poison that causes holes in our digestive tract within five minutes of being eaten and if overeaten for three meals per day a leaky gut syndrome, which is the root cause of the exponentially increasing autoimmune diseases worldwide. I realized that I was eating modern wheat three meals per day of I thought to be healthy

Quaker Harvest Crunch cereal for breakfast and one of each of my ultra cheap modified pasta recipes, KLM-n-CDD, (Keith Listoe Macaroni and Cheese Double Deluxe) and KLS-n-MSD, (Keith Listoe Spaghetti and Meat Sauce Deluxe), for lunch and supper. I occasionally ate my favourite pasta recipe, lasagna that had evolved over the years since I moved out of Spiritwood, Saskatchewan to Saskatoon, Saskatchewan in 1981. Every

change over the years was to improve the flavour. I received both nonverbal compliment and verbal compliment on my lasagna. I could not wait to cook a 9 by 13 pan of lasagna after I was released from the hospital on April 7/2003, because I had started growing fresh herbs to use in it in my back yard. Teri's best friend, Karen, happened to come over the day I cooked this lasagna with fresh herbs for the first time. Karen said. "Teri has

often told me how great you can cook, but you have never invited me over for supper.” I responded. “I just made my lasagna for supper tonight, so you are welcome to eat supper here tonight if you wish. Karen joined Teri and I for supper that night. I can’t remember where I had to go after I ate supper, but I ate my serving of lasagna and I had to leave Teri and Karen eat theirs. When I returned home Karen and Teri had almost finished the entire

170

9 by 13 pan of lasagna, which I took as the best nonverbal compliment. I decided to cook Brandi a seven-course meal for her 24th birthday with lasagna, as the main dish, for her birthday in 2011. My son-in-law Travis, gave me the best verbal compliment on my lasagna, after the meal. He said to Brandi. "I did not think that anyone could make a better tasting lasagna than some woman's name, but this is better than hers." I write this because

171

after I set my health, as my number one priority in May 2015, I changed to eating based on flavours to based on the health benefits. I decided on Tuesday, September 25/2018 to change to eat an organic raw vegetable diet to improve my health. The next morning, Jesus Christ selected my reading this morning, Wednesday, September 26, 2018, started at Ezekiel chapter 48. verse ¹⁵ At the end of ten days it was observed that they

appeared better and fatter than all the young men who had been eating the royal rations. ¹⁶ So the guard continued to withdraw their royal rations and the wine they were to drink, and gave them vegetables Daniel chapter 1 verses 15 and 16. So the guard continued to withdraw their royal rations and the wine they were to drink, and gave them vegetables caught my attention, making me thankful, I have decided to change to a complete organic

173

raw vegetable diet to restore my health! My diet has now evolved into the perfect health diet for every person, because it starts with the basic pescatarian cancer cure ingredients, which includes cilantro and chlorella to detox any heavy metals from my body that might be present in the organic canned salmon that I include, and the remaining ingredients are perfectly variable to suit each person's specific health concerns, which for me is the neurogenesis

of my brain, as much as possible. The greatest variety of fibers in this diet promotes the greatest diversity of micro-organisms in our gut microbiome for the strongest primary immune system. I learned that the flouride added to public water systems is the worst toxic chemical added to the public water systems, as it causes lower IQ levels, so I found the perfect natural replicating water purifier called the structured water purifier to make

all toxic chemicals added to the public water system inert. I took it a step further by also stopping to use flouride based toothpaste. I started in June of 2015, to pull one tablespoon of organic cold-pressed virgin coconut oil for twenty minutes per day after flossing my teeth. The new dental assistant who did my teeth cleaning appointment in early 2016, would not believe that I was over thirty years old by the health of my gums! My teeth

became sensitive because all the enamel was worn off my teeth by the high acidity of my body from overeating sweets or refined sugars for the energy, I had to work without my pituitary gland functioning, so I searched found and bought a new organic toothpowder, named Fort Brite to restore the enamel on my teeth, which it has, so my teeth are not sensitive anymore! There is a natural health cure for every problem encountered!

The truth is starting to come out about Hunter Biden's laptop, which the USA wants to keep secret. Hunter Biden's Rosemont Seneca investment fund financed the Pentagon's military biological program in Ukraine, said Igor Kirillov, head of the radiation, chemical and biological defense forces of the Russian Armed Forces."

Russia invaded Ukraine to get the USA operated bioweapons labs out of Ukraine! The billions of USD given to Ukraine by Joe Biden is funneled back to Joe Biden and other US Democrats through FTX, as donations!

China's President Xi Jinping wants to force worship of the Communist Party by destroying traditional

Catholic churches torn down or denuded of their crosses and

statues. Images of the Madonna and Child replaced with pictures of “People’s Leader” Xi Jinping. Signs posted outside evangelical churches forbidding anyone under the age of 18 from entering. The Ten Commandments painted over with quotes from Xi.

These are just some of the ways that the Chinese Communist Party is persecuting Christians in China.

But it's not just Christians. In China's Far West, over a million Muslims languish in concentration camps — Beijing cutely calls them “vocational training centers” — while mosques are being torn down, religious signs removed and ancient cemeteries leveled.

Elsewhere in China, Buddhist temples are being turned into shrines celebrating Xi Jinping, China's President For Life. His picture adorns the walls, his

recorded voice booms out of the loudspeakers, and it is his “Thought” — not Buddha’s — that the monks are now required to meditate upon.

Not even the Taoists, China’s ancient folk religion, have escaped this new Cultural Revolution. Temples that have stood for over 1,000 years have been closed and ancient statues smashed, all on the orders of “Religious Affairs” officials.

Perhaps some of those who are concerned about protecting cultural sites in Iran could spare a thought for the daily demolition derby now going on in China.

A demolition derby that is about to get worse, a lot worse.

On Feb. 1, 2020, new restrictions on all forms of religious activity came into force.

The “Control Measures for Religious Groups,” as the 41 new rules are called, deal with

everything from the holding of rites and rituals, to the selection of leaders and annual meetings, to the hiring of staff and the handling of funds. All of these must be reported — in advance, no less — to the comrades at the “Religious Affairs” office for their approval.
